

K/1 News

September 24, 2012

Thank you so much for your continued support in helping us reinforce the morning routines of having the children empty their backpacks, and placing their book bags and folders in the correct bins.

Kindergarten academic time begins promptly at 7:50. Please be sure that your child is here on time so that our day can begin and they do not miss a minute of this valuable learning time!

Kindergartners are busy learning the sounds of the alphabet. We call them alpha-friends. Please ask your child what friends he/she has learned so far.

First graders are busy learning to solve subtraction problems and the strategies to use. They may need some support with their subtraction homework.

We are kicking off the Fall Season...if you can please send in an apple of your choice by this Wednesday. We will be using these apples for science, art, math, and apple tasting! If you want to send in any apple yummys, for snack this week please do!☺

We are so excited to be making our K/1 annual class T-shirts!! The children have already designed them and now we are ready to order!! **PLEASE SEND IN FIVE DOLLARS.** (Cash is the easiest and quickest way for us to pay the vendor.) We are trying to get them before our field trip!!

Thanks so much!!!!
